

National Child Day and 4th Anniversary of the Social Pediatric Hub

On November 20th, we celebrated in a big way for the first time since the pandemic. An in-person party to mark National Child Day and the 4th anniversary of the Social Pediatric Hub took place at the Richelieu-Vanier Centre. Approximately 120 people, young and old, came to participate in various games, crafts, photo sessions, literary walks, sports, etc. The event also included a pizza lunch, gift bags for each age group and the announcement of the winners of the Social Pediatric Hub's logo contest with our special guests: the Honorable Mona Fortier, MPP Lucille Collard and Councilors Mathieu Fleury and Rawlson King.

The 6 finalists were awarded a \$50 gift card to Toys R Us (for 6-11 year olds) or Gabriel Pizza (for 12-17 year olds). Since there were many great submissions, the selection committee decided to crown 2 grand prize winners: one for the public choice and one for the selection committee's final choice. These two winners each received a \$200 gift card to Decathlon:

Mehdi 12 years old - public choice award
Benjamin 10 years old - selection committee prize.

Here is the logo that was judged to best represent the concept of social pediatrics and will be used as inspiration for the official VSPH logo.

Testimonial:

Thank you to the entire CSCV team for the children's day. We had a lot of fun, the food was great and the people were super friendly. Benjamin is very happy that his logo was chosen for the Social Pediatric Hub. Today, I have become more aware that being part of a community is a great asset. Thank you again for these beautiful moments.

- Michelle (Benjamin's mother)
